JOIN US ON OCTOBER 30

LIVE VIP TOUR OF THE NEW TRAINS!

Join the Caltrain team and special guest Congresswoman Jackie Speier this Friday, October 30, at 9:00 a.m. for a live VIP tour of the new electric trains! That's right, you'll view the [**virtual reality \(VR\) experience**](#) with Rep. Speier and Caltrain Chief of Rail Michelle Bouchard, then travel to the manufacturing facility in Salt Lake City for a live tour of the trains under production with Stadler Commercial Project Manager Christoph Brocker. They'll take your questions through Zoom Q&A or Facebook Stream comments.

WHAT IS CALMOD?

The Caltrain Modernization Program (CalMod) includes electrification and other projects that will upgrade the performance, efficiency, capacity, safety and reliability of Caltrain's service. The current electrification project will electrify the corridor from San Francisco to San Jose and replace 75 percent of Caltrain's diesel service with high-performance electric trains, reducing air pollution and providing better service to more riders.
